Coral and Ken were wonderful guests. Very polite, interesting and clean. It is for guest like this why I love hosting Airbnb.

This is a very pleasant, adventurous Canadian couple...they are interesting to talk with, intelligent and very responsible...they even discovered "glitches" and mini-problems in the guest suite, which we (of course) remedied (fixed) immediately; they even helped...I recommend them for anyone who is hosting...say "hello" to them from or family here in Granada, Nicaragua!!! Amazingly nice people! They were perfect guests in every way possible. I highly, highly recommend hosting them. If you've ever thought about putting in a [pool, do] it while they are staying with you...heeeheeeheee!!! They are extremely well traveled and low maintenance. Absolutely wonderful guests.

It was our pleasure having Coral & Kenneth stay over. They left the apartment in good conditions, complied with every house rule, and had such a positive energy all around!

Coral and Ken stayed with us for a short time during a long layover. Even though they weren't here for long we enjoyed hosting them. They are easy going, respectful, and overall wonderful guests! We wouldn't hesitate to host them again, they are welcomed back anytime.
